

John Strazzarino, City Councilmember District 1

My name is John Strazzarino and I am running for San Bruno City Council District 1 (Rollingwood/Pacific Heights/Portola). A native San Franciscan, I moved to the Rollingwood Neighborhood in 1984 where my children attended local schools. Since retiring, I've volunteered with Second Harvest Food Bank, the Lions Club, St Roberts Men's Club, the Posy Parade, and music in the park amongst others.

If elected, I will review any and all documentation presented to me so that I can understand what is needed and how my decisions will work in the city. I understand that city maintenance issues, potholes, senior citizen issues, crime, water/storm drain and downtown revitalization are on the minds of many citizens. I promise to objectively look at all issues that come before the council for my review.

As a city council member, I will be representing District 1 and its citizens, looking to see what is best for the entire city, to make certain that the needs of the citizens are properly and fairly met.

I welcome input from the public as below:
