

Thank you San Bruno. It has been an honor serving you on the San Bruno City Council since 2015. I am grateful for your trust and support over the years. Together we have improved our financial sustainability while minimizing the impact to our residents.

Throughout my three terms as your councilmember I have voted and volunteered to support public safety, schools, youth organizations, veterans, seniors, and more. We have made significant and overdue progress in our downtown as we celebrate our new Recreation Aquatic Center. More city streets have been paved and maintained although more needs to be done.

As your Mayor I will be readily accessible to listen to your concerns and act on your behalf with increased transparency and accountability. The council needs to be more involved in the most important decisions that will determine our future.

I look forward to engaging with you and sharing my vision to improve our community. I offer you a choice in this mayoral election and I humbly ask for your support and your vote.

Join me to build a better San Bruno for all.
